We voluntarily dismissed our .wallet case because defendants stopped selling conflicting domains.

We achieved our goal of preventing harmful .wallet collisions and will continue to vigorously defend the rights of all of our customers & apps.

Collisions are bad for everyone!

**NOTICE OF DISMISSAL WITHOUT PREJUDICE**

PLEASE TAKE NOTICE THAT, pursuant to Fed. R. Civ. P. 41(a)(1)(A)(i), Plaintiff Unstoppable Domains Inc. hereby dismisses this action without prejudice. Defendants in this action have not answered the complaint or filed a motion for summary judgment.

Since this case was filed in September 2022, Defendants have not promoted or offered for sale domain names using Plaintiff's WALLET marks. Therefore, the relief sought by Plaintiff now seems more of an academic exercise rather than an actual dispute sufficient to warrant the expense of litigation and use of the Court's limited resources.
